About ISASET2024

The International Summit on Applied Science, Engineering and Technology (ISASET) is an annual gathering of researchers, scientists, engineers and industry professionals from around the world. The 2024 edition of ISASET will take place in Florence, Italy and will provide an excellent opportunity for attendees to share their latest research findings, network with peers and learn from experts in their respective fields of Applied Science, Engineering and Technology.

ISASET 2024 will feature a comprehensive technical program that includes keynote speeches, invited talks and presentations of research papers. The conference will cover a wide range of topics related to Applied Science, Engineering and Technology.

In addition to the technical program, the attendees can also enjoy the variety of social activities in Florence and its surroundings, including guided tours of historic sites, cultural events and opportunities to taste the local cuisine.

We look forward to welcoming you to Florence for ISASET 2024!
