About ISCSEE2024

Spectrum Conferences delightedly welcomes you to its **2nd International Summit on Civil, Structural and Environmental Engineering** (ISCSEE2024) which is going to be held during **March 18-20, 2024** in **Florence, Italy**.

ISCSEE2024 offers a unique opportunity to debate and uncover new research and business potential in the fields of Civil, Structural & Environmental Engineering. The major purpose is to assist researchers and students in this subject in connecting with industry specialists and finding applications for their research, as well as the other way around.

The three-day conference will include plenary and keynote lectures by experienced experts and oral and poster presentations by both contemporary and established researchers.

We are eagerly anticipating the exciting and mind-stimulating presentations at the conference.

We look forward to seeing you in Florence in March, 2024...!!!
