## About ISG2D2023

Spectrum Conferences delightedly invite all the participants from all over the world to attend the International Summit on Graphene and 2D Materials (ISG2D2023) during April 24-26, 2023 in Valencia, Spain.

ISG2D2023 offers a unique opportunity to debate and uncover new research and business potential in the fields of Graphene and 2D Materials. The major purpose is to assist researchers and students in this subject in connecting with industry specialists and finding applications for their research, as well as the other way around.

The three-day conference will include plenary and keynote lectures by experienced experts and oral and poster presentations by both contemporary and established researchers.

We are eagerly anticipating the exciting and mind-stimulating presentations at the conference

We look forward to seeing you in Valencia in March, 2023...!!!

### Let's meet at ISG2D2023.

Save the date: **April 24-26, 2023 | Valencia, Spain**

*Website Link: <https://www.spectrumconferences.com/2023/isg2d>*

Valencia being the old capital of the kingdom of Valencia, the city is rich in cultural heritage. Magnificent historic monuments, such as the 15th-century Silk Exchange, the 18th-century Marquise Palace, and the Museum of Fine Arts, tell the story of a wealthy merchant and aristocratic past.

Valencia has a charming historic center, the CiutatVella (Old Town), but the city has entered the 21st century with gusto. The sleek Modern Art Institute, along with the futuristic City of Arts and Sciences immerse visitors into a brave new world of artistic and scientific discovery.

Let's explore the many facets of Valencia and experience the unique Spanish culture...!
