

ISVRD2023 & ISNH2023

International Summit on Vaccines Research and Development

&

International Summit on Nursing and Healthcare

September 11-12, 2023 | San Francisco, USA

Day 01 | September 11, 2023

09:00-09:30		On Spot Registrations
Chair		Nick Valiante , Co-Founder & CSO Innovac Therapeutics, USA
Co- Chair		Thomas R. Fuerst , University of Maryland, USA
09:30-10:10	P	Title: Seismic Shifts in the Vaccine Industry and the Coming Wave of New Vaccines Nick Valiante , Co-Founder & CSO Innovac Therapeutics, USA
10:10-10:50	P	Title: Leveraging Intentional Leadership to Reduce Burnout Linda Burrell , Cognosante, USA
10:50-11:05		Refreshment Break
11:05-11:45	P	Title: Data-Driven Decision Making: Essential Techniques for Healthcare Dario Brito Calcada , State University Of Piaui, Brazil
11:45-12:25	P	Title: Analysis of Childhood Vaccination Data in Brazil Using Artificial Intelligence Techniques Jaina Carolina Meneses Calcada , State University Of Piaui, Brazil
12:25-13:05	P	Title: The Up-Hill Battle to Improve Vaccine Uptake: Sisyphus takes on Hesitancy among Diverse US Groups Brenda F. Seals , The College of New Jersey, USA
13:05-14:05		Group Photo Lunch
14:05-14:35	K	Title: Structural Analysis and Domain Stabilization of an HCV E1E2 Vaccine Candidate Thomas R. Fuerst , University of Maryland, USA
14:35-15:05	K	Title: Development of SARS-CoV-2 & MERS-CoV Attenuated Vaccine Strains by Cold Adaptation in Cells Sang Heui Seo , Founder & CEO-Pioneer Vaccine Inc, South Korea
15:05-15:35	K	Title: Improving Student Health Outcomes for LGBTQ+ Adolescent Students Leticia Esau , Riverside County Office of Education, USA
15:35-15:50		Refreshment Break

Sessions
Vaccines Research & Development, Nano Vaccine Technology, Current Research and Future Challenges, Geriatric Nursing & Immunology of Infectious Diseases

Session Chair
Brenda F. Seals, The College of New Jersey, USA

15:50-16:15 **I**
Title: Delirium and Falls in Old Age
Mohan Rajendra Gondhalekar, North East London NHS Foundation Trust, UK

16:15-16:40 **I**
Title: How Covid-19 Vaccine Dissemination Efforts of Local Independent Pharmacies addressed Vaccine Hesitancy among Diverse Groups in the U.S
Natasha Patterson, The College of New Jersey, USA

16:40-17:05 **I**
Title: The Covid-19 Vaccine Distribution in New Jersey, Pennsylvania, and New York: Lessons Learned From the Early Point of Distribution Sites
Ethan Moss, The College of New Jersey, USA

Sessions
Vaccines Misperception and Side Effects, Public Healthcare Nursing, Bioinformatics, Genomics and Proteomics, Vaccine Hesitancy to Improve Uptake, & Immunology of Infectious Diseases

Session Chair
Dragica Andreevska Shuleva, University of Montenegro, Macedonia

17:05-17:30 **I**
Title: Research on Drivers of Routine and Outbreak Vaccination Uptake in the Western Democratic Republic of Congo
Patrick Mutombo Lupola, National Institute of Biomedical Research, Democratic Republic of the Congo

17:30-17:55 **I**
Title: Nanotechnology in the Diagnosis and Treatment of Covid-19
Suma Alluri, Avalon University School of Medicine Curacao, Netherlands Antilles

****Closing the Conference for Day 1****

Day 02, September 12, 2023

Chair		Dario Brito Calcada , State University Of Piaui, Brazil
Co- Chair		Jaina Carolina Meneses Calcada , State University Of Piaui, Brazil
09:30-10:10	P	Title: Steps Towards Developing a Universal Influenza Vaccine Suresh K. Mittal , Purdue University, USA
10:10-10:50	P	Title: My Personal Pros and Cons of Receiving a Full Face Transplant Robert Chelsea , Vice President, The Robert Chelsea Foundation, USA
10:50-11:05		Refreshment Break
11:05-11:45	P	Title: Decoding Immune Evading Mechanisms of Pathogens: Reordering of Immuno-Dominance for Improved Immunity Peter Nara , Co-founder of Biological Mimetics Inc, USA
11:45-12:15	K	Title: Intracellular Autolytic Vaccine in Preventing Colonization of Pathogenic Salmonella Debabrata Biswas , University of Maryland, USA
12:15-12:45	K	Title: To Determine the Existence of Violence over Healthcare Workers Dragica Andreevska Shuleva , University of Montenegro, Macedonia
12:45-13:45		Group Photo Lunch
13:45-14:15	K	Title: Lipid Nanoparticle-Based Vaccines: PEG or Non-PEG for Allergic Reactions? Zhaohua Zhou , CDER/FDA, USA
14:15-14:45	K	Title: Factors Hindering Utilization of Student Centered Teaching Methods by Tutors and Clinical Instructors in Nursing Schools in Jinja District, Uganda Keren Carol Drateru , Health Tutors College Mulago, Uganda
14:45-15:15	K	Title: Post-Eradication Smallpox Vaccine as a Candidate for Mpox (Monkeypox) Vaccine Amal Mitra , Jackson State University, USA
15:15-15:30		Refreshment Break

Next Events

2nd International Summit on
Vaccines Research & Development
September 16-18, 2024 | Paris, France

&

2nd International Summit on
Nursing and Healthcare
September 16-18, 2024 | Paris, France
