# About ISRAI2024

Spectrum Conferences delightedly welcomes you to its International Summit on Robotics and Artificial Intelligence (ISRAI2024) which is going to be held during August 26-28, 2024 in Valencia, Spain.

The meeting brings together World Class participants and young researchers looking for opportunities for exchanges that cross the traditional discipline boundaries and allows them to resolve multidisciplinary challenging problems that only a venue of this nature can offer. Through this event, you will be able to share the state-of-the-art developments and cutting-edge technologies in the broad areas of Robotics and AI.

We sincerely hope that ISRAI2024 serves as an international platform for meeting researchers from around the world, widen professional contact, and creating new opportunities, including establishing new collaborations.

We are looking forward to seeing you at ISRAI2024 in Valencia, Spain.

Valencia, a vibrant city on the eastern coast of Spain, is a captivating blend of historical charm and modern allure. Known for its rich cultural heritage, stunning architecture, and beautiful beaches, Valencia offers a delightful experience for visitors.

The city's crown jewel is the futuristic City of Arts and Sciences, an architectural marvel that houses a planetarium, an opera house, a science museum, and an oceanarium. Its avant-garde design makes it a must-visit for art enthusiasts and architecture aficionados.

Wandering through Valencia's historic quarter, one can marvel at medieval landmarks like the Valencia Cathedral and the Serrano Towers. The bustling Mercado Central, one of Europe's largest covered markets, entices visitors with its colorful array of fresh produce, seafood, and local delicacies.

Let's enjoy the unique culture of Valencia and join us in 2024.
